PROFESSIONAL EXPERIENCE

Pricewaterhouse Coopers LLP

Financial Services Data & Tech Intern

New York, NY

Jun 2025 – Aug 2025

- Conducted client data reconnaissance on financial transaction datasets, performing reconciliation projects to validate data accuracy, ensure proper test tracking, and identify key transaction patterns for improved quality control and insights.
- Awarded 1st place out of 15 teams in company hackathon by developing a Python-based chatbot for the Risk and Controls Self-Assessment process and a Power BI dashboard to visualize assessment results

PPL Corporation

Data Science and Machine Learning Intern

Allentown, PA

May 2024 – Aug 2024

- Developed an internal generative AI chatbot for the corporation's customer service knowledge database using large language and retrieval-augmented generation models to decrease average handle time of calls by 20%
- Specialized in prompt engineering and chat history implementation through object-oriented programming to provide accurate answers and conversational memory within AI tool
- Performed exploratory data analysis (EDA) on local avian patterns and utility outage data to increase grid reliability

Penn State IFC/Panhellenic Dance Marathon (THON™)

Finance Director

University Park, PA

Apr 2025 – Apr 2026

- Directed financial strategy and operations for \$18.8M in fundraising and a \$750,000 budget, directly managing a team of 24 finance captains to ensure the financial integrity of 150,000+ annual donations
- Analyzed and consolidated large-scale donor datasets in Excel to identify giving trends, forecast and track revenue streams, and inform data-backed fundraising campaign planning

Data Analytics Coordinator

Apr 2024 – Apr 2025

- Analyzed and investigated donor-related data to increase engagement and donor retention by viewing past and forecasting future data trends, creating Tableau dashboards for tracking progress, and visualizing donation information

Corporate and Matching Checks Captain

Sep 2023 – Apr 2024

- Oversaw and directly handled all corporate checks from outside organizations, worked to ensure all corporate matching was completed in the database, and acted as a liaison between each corporation/donor and THON

PROJECTS

Schreyer Undergraduate Thesis

Author

University Park, PA

Sep 2025 – Apr 2026

- Authored a 40-page honors thesis under faculty supervision analyzing regulatory impacts on Colorado Uber drivers; utilized Difference-in-Differences (DiD) regression models in Python to evaluate changes in driver compensation and tipping patterns

LEADERSHIP & INVOLVEMENTS

Alpha Kappa Psi Professional Business Fraternity

NeilStrong Chair

University Park, PA

Nov 2024 – Dec 2025

- Coordinated logistics with the American Red Cross to host semesterly blood drives, contributing 200 units of blood to local hospitals
- Maintained partnership between the NeilStrong Foundation and the chapter by serving as a liaison through constant communication and building connections between new members and the foundation's leaders

Association of Women in Computing

Director of Advertising

University Park, PA

Sep 2022 – May 2024

- Marketed and advertised the organization to related colleges within the university, corporate sponsors, and students through the use of social media and messaging to increase membership and awareness of the organization
